Subject: RE: Qualified Tank Degasser – ENVENT CORPORATION

Steve, you have my endorsement on the services you've provided for the Benicia Refinery. We've used you for degassing during service changes and preparing tanks for entry / cleaning and inspection. I have appreciated your willingness to respond to last-minute requests that we sometimes are caught up in.

Subject: Qualified Tank Degasser

Paul, if you don't mind, can you please let your Gulf Coast folks (cc'd herein) know that Envent Corporation has degassed tanks for Valero and has state of the art HAZOP'd thermal oxidizers, experienced and knowledgeable operators, etc. They haven't seen us in action and wanted to confirm we are legit.

Regards,
