Envent Corporation  
2398 California Avenue  
Signal Hill, Ca 90755

Attn: Steve Sellinger

Dear Steve:

On behalf of BP Carson Business Unit, congratulations to you and your company. BP has selected Envent Corporation to receive a **2007 "Extra Mile" Award** in recognition of outstanding performance over the past year. There will be a total of 17 recipients of these awards this year, a small fraction of more than 1000 suppliers and contractors supporting CBU.

Nominations for the awards were received from the BP client groups for suppliers and contractors that have gone "the extra mile" in support of Carson Business Unit. These nominations were reviewed based on criteria of Safety and Environmental performance, along with outstanding achievement in relation to one or more of BP's brand values – Performance, Progressive, Innovation, Green and Partnership.

Presentation of this award will be made during a luncheon to be held Monday, July 23, 2007 at the Carson DoubleTree Hotel, Chardonnay Room from 11:00am to 1:30pm, and your company representatives are cordially invited to attend.

Please RSVP no later than Friday, July 13<sup>th</sup> to [REDACTED] or [REDACTED]. Due to space limitations, please limit the number attending to no more than two (2) representatives.

Once again, congratulations and we look forward to seeing you at the luncheon.

Sincerely,

[REDACTED]
