## *The Value of Your Sponsorship*

Special Olympics Texas aims to become the premier provider of Special Olympics training and competition in the world. We approach each endeavor with a single intent – to improve the quality of life for our athletes. The challenges of the future are embraced with enthusiasm and commitment, ensuring that the changing face and needs of our athletes are met. Birdie on the Bay supports children and adult athletes in Corpus Christi and surrounding areas.

A partnership with Special Olympics Texas has a powerful impact on the lives of South Texas area athletes, as well as their families and friends. The positive benefits of your support reach far beyond the day of an event – changing the lives and perceptions of your employees, your company and your community.
